

August 29, 1917.

Dear Sir:

I have to acknowledge receipt of your letter of August 16th, in regard to the adoption of the name of "Goode Mountain" for a prominent mountain in the state of Washington.

The suggestion for the establishment of the name "Goode" for this mountain came from the U. S. Geological Survey, and I have therefore referred your letter to the Director of the Survey for his consideration. Your letter and question raised will be referred to the Geographic Board at its next meeting in October, and you will be promptly advised of the action taken.

Very truly yours,

Secretary.

Hon. A. F. Potter,  
Acting Forester,  
Forest Service,  
Dept. of Agriculture,
